DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8/25/2006 has been entered.

Comments

2. Since the amended generic claim 10 included a limitation recited in claim 19 is allowable, claims 11-18 and 22-33, directed to the method for manufacturing a magnetic head arm assembly, previously restricted from the election of species, are now subject to bring rejoined. Claims 10-18 and 22-33 are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

3. Claim 19 is objected to as being a substantial duplicate of claim 10. Claim 10 and claim 19 are essentially duplicates of one another or else are so close in content that they both cover the same thing, despite a slight difference in wording. It is improper to have two claims, which contain the same limitations, in the same application as one claim would be a substantial duplicate of the other claim.

4. Since the amended generic claim 10 is included a limitation of claim 19 for coupling the FPC to the actuator body by rivet deformation, the non-elect species of

claim 20 for coupling the FPC to the actuator body by adhesive bonding and of claim 21 for coupling the FPC to the actuator body by solder bonding have to be cancelled.

Examiner's Amendment

5. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Bhattacharya on 9/6/2006.

IN THE CLAIM

Cancelled the non-elect claims 19-21.

6. Claims 10-18 and 22-33 are allowed.
